Semi-Flush - Outdoor

Levitt has a classic vintage look and an industrial-inspired style. True to its barn light roots, the outdoor collection features durable hard-working fixtures that get the job done while at the same time maintaining an appealing appearance. The powder-coated aluminum fixtures are UV-coated and corrosion-resistant. Enhance your curb appeal and greet visitors with the bright light of this attractive series. Choose between select shade options to suit your home's exterior. The wall sconces feature an extended gooseneck that puts light where you need it, while the wide shades offer ambient light.
