Small Pendant

Pedra's simple silhouette creates a versatile look that is suitable for transitional spaces. A blend of indoor and outdoor elements, Pedra uses textured glass and stone materials to create an interesting design that is ideal for eclectic spaces. The cool tone of the cement is balanced by carefully carved details that complement the playful Hammered Clear Glass shade. The texture of the open bottom shade allows light to be gently diffused when the fixture is illuminated. Matte Black hardware and a matching cable wire add modern touches. Hang this pendant alone or install multiples over a counter.
